

HUBERT DOLÉAC, Senior IP Lawyer – Troller Hitz Troller – Berne - Switzerland

Hubert is a qualified French IP lawyer who has been working with the Nestlé Company more than 33 years. He started his career in France and during his many years at Nestlé he gained international exposure and experience working in the field of IP in the USA, in Chile and in Russia and mostly at Nestlé's HQ in Switzerland. Initially working as in-house regional IP counsel for North America then for Africa and the Middle East, Hubert was subsequently responsible for giving IP advice to the Petcare, Culinary, Ice Cream, Dairy and Professional marketing business units of Nestlé where he has also been closely involved and has gained knowledge in M&A transactions and litigations. During the last four years Hubert has been working as Senior Legal counsel IP for Europe giving full IP advice for this region and also managing the team of Nestlé in-house Regional IP lawyers located in the European markets. In 2015 he was in charge of Knowledge Management and Advocacy for the Nestlé IP function and co-responsible for the training for the Nestlé Legal IP champions located in the markets and since June 2016 and until end of December 2016 he has been working as Senior Legal IP Counsel at Nestlé's dermatological companies, Nestlé Skin Health S.A./Galderma S.A..

Hubert has terminated his rich and long career at Nestlé at the end of 2016 and since the beginning of 2017 he has joined on a part time basis the well and long established Swiss law Firm Troller Hitz Troller at their Bern office.
