

BERNARD VOLKEN, Co-Chair of ECTA Design Committee, Fuhrer Marbach & Partner, CH

Bernard Volken is specialized in the field of intellectual property since 23 years. He focuses on developing a full range of international IP strategies (enforcement including litigation, prosecution, customs seizures, contracts/licensing). Before joining Fuhrer Marbach he worked for several years at the Swiss Trademark Office as Head of the Trademark Opposition Section. During this time he was also strongly involved in the total revision of the Swiss Design Act. Bernard serves as an examination expert for Swiss Patent Attorneys and he is a contributing editor of the Swiss Journal of Intellectual Property Rights. Bernard speaks regularly at IP seminars and frequently publishes articles/books on IP issues.
